A PHYSICIAN SAYS

That San Yak is the Most Efficient—Does Not Wear Out in Treating the Kidneys, Poor Blood, Rheumatism and Renewing the Body.

McBrides, Mich., July 7, 1919, Burnham Medical Co. Gentlemen:

San Yak will do all you claim—it is a fine medicine for anemia of the blood and has cured cases of rheumatism of long standing. When one doctors the kidneys he is renewing the whole body. One can always depend on San Yak.

Yours respectfully,
(Signed) L. P. Bailey, M. D.

J. P. White, ex-chief of police of Marion, Ind., and recently proprietor of the Hotel DeSoto, states as follows:

"San-Yak, yes, I know that medicine. I used four bottles while I was in Benton Harbor, Mich. I was subject to short breath, heart, kidney, bladder and liver troubles; bad blood. I am pleased to have an opportunity to recommend San Yak to my friends. It is a wonderful medicine and its claims are true. Yours with pleasure."
"J. B. White."

A dollar laid out to aid health is not an expenditure but a loan, which will be returned a hundred fold.
Mrs. F. E. Hildebrand, 889 Cot-Ave., Wabash, Ind.

"The doctors said I had Bright's disease, and high blood pressure of 186. I was sick and dizzy, stiff and clumsy in my muscles. I was so weak I could scarcely walk. My daughter heard of San-Yak and sent me a bottle five years ago, and before the first bottle was gone I was feeling fine. San-Yak has cured me, and for the benefit of others you are welcome to the use of this letter."

"The Farmer Kept Faith With the Country"

--Now Let the Country Keep Faith With Him"

LEONARD WOOD

This is Wood's sentiment toward the American Farmer, as expressed in his Platform and speeches:

"If the farmers had not kept faith as they did we would have lost the war, we would have been unable to feed our Allies and ourselves. They sent their sons to war, and in spite of the shortage of labor they raised the biggest crop in history.

"We want to maintain our rural population because it is the basis of our most stable citizenship. To do this, we must make life on the farms more attractive. The farmer must have good roads—he pays his full share of taxes. His interests must not be permitted to suffer so that other interests may profit more. If there is anything more important in this country than Agriculture, I do not know it.

"We must have a Department of Agriculture conducted for the Farming interests by men who really know farming from the furrow to the crop.

"We must have national economy at Washington, and a budget system.

"We must have federal suppression of all dishonest business, no matter how large, no matter how small.

"We must have more producing, less spending, a saner cost of living.

"We must have a longer term of years to pay the war debt.

"We want fewer tenant farms, more owned farms."

Farmers of Michigan:

If these principles, these sentiments, express the kind of American you want to rule the Nation, vote for **LEONARD WOOD**.

It is your DUTY to vote in the primaries, April 5. You cannot vote unless you are registered.
